## OBJECTIVE

---

Seeking a position where I can utilize my interaction skills, attention to detail, and ability to adapt quickly. Committed to leveraging my experience in team coordination and technical operations to deliver exceptional service and support.

## EXPERIENCE

---

### COBALT ROBOTICS

#### Reserve Engineer

**Southern California Region - October 2023 - August 2024**

- Conduct preventative maintenance, ensuring robots operate efficiently and reliably by cleaning internals and tightening loose screws.
- Effectively manage part replacements tailored to individual robot requirements.
- Facilitate communication and collaboration through Slack, promptly addressing potential issues to prevent operational disruptions.
- Coordinate the logistics of robot transportation across various locations.

### AUTO ZONE

#### Part Expert Sales Associate

**Los Angeles, March 2022 - October 2024**

- Provide expert guidance to customers on selecting and ordering appropriate parts for vehicle servicing.
- Conduct hands-on assistance with replacing wiper blades, batteries, and lightbulbs, and performing A/C recharges.
- Support store management with opening and closing procedures, ensuring operational efficiency.
- Manage timely delivery of automotive parts to local workshops, enhancing service speed and customer satisfaction.

### IGLESIA CRISTIANA EL CAMINO DE SALVACION

#### Live Stream Leader

**Los Angeles, March 2020 - Present**

- Collaborate closely with the Pastor to plan and adapt service layouts and content, enhancing community engagement.
- Lead and inform the AV team, ensuring all members are well-prepared and equipped for each service.
- Apply technical expertise to manage livestream production details, delivering high-quality online broadcasts.
- Train volunteers in audio and visual operations, fostering a skilled and knowledgeable team.

### CANALES AUTO BODY

#### Auto Body Mechanic Assistant

**Los Angeles, June 2016 - July 2017**

- Served as a bilingual communicator, translating service details from Spanish to English for customers, enhancing understanding and customer service.
- Prepared and sanded auto body parts for painting, ensuring meticulous attention to detail for optimal paint application.
- Organized tools and prepared workstations, optimizing shop efficiency and readiness.

## ADDITIONAL ACTIVITIES

---

Participant, Chicano Youth Leadership Conference, 2018

Developed and led an interactive podcast for a student forum, facilitating discussions on key community issues.
